

## SPECIAL ENROLLMENT

### Update 9/2/21

*This section updates UnitedHealthcare's voluntary special enrollment opportunity that was offered in response to COVID-19. The opportunity took place starting on March 23, 2020, was extended to April 13, 2020, and expired on Nov. 15, 2020.*

*The United voluntary special enrollment opportunity applied to fully insured group health plans but not self-funded group health plans. In the case of self-funded customers that did offer a special enrollment opportunity, UnitedHealthcare stop loss policies do not cover claims paid for members enrolled during a customer's voluntary special enrollment period. Self-funded customers with other stop loss vendors should discuss coverage for any changes with their stop loss vendor before adopting any changes.*
